Terms and Conditions: Skype Guitar Lessons

1. In consultation, there will be a set number of guitar lessons via Skype, each 30, 45 or 60 minutes in length. The lesson duration of choice will determine a fixed price.
2. Payment of purchased lessons must be completed upfront, meaning before lessons commence, either to the bank account number listed in the invoice, or to the following PayPal ID: info@lennertkemper.nl. The student or parent/guardian/external payer will receive an invoice by e-mail. Please note: no payment upfront = no lessons.
3. If the student will show up to a lesson late, the student or parent/guardian is kindly requested to communicate this at least 10 minutes before the lesson starts. If the delay is longer than 15 minutes past the lesson starting time, the lesson will be cancelled and charged fully.
4. Unfortunately, lesson refunds and make-ups are not possible.
5. Lessons can be commenced and/or ended at any of time of the year.
